

The Prince of Wales Surgery

Travel Vaccinations Service

From the 1st April 2019 we will only be able to provide the vaccinations that are recommended by the NHS for travel. You will need to seek advice from another travel service, locally these are offered at the following (these are not endorsed by the practice and others may be available).

Victoria Park Pharmacy, 14 Maud Road. Dorchester, DT1 2LW. Tel: 020 3794 6697, ask for Dorchester, or go to <https://victoriaparkpharmacy.co.uk/> and follow the CITYDOC SERVICES LINK to make an appointment.

Or

Boots the Chemist, 12-13 Cornhill, Dorchester, DT1 1BQ. Appointments can be booked on line by going to <https://www.boots.com/health-pharmacy-advice/vaccinations/travel-vaccination-health-advice-service>

You will need to make an appointment with them for travel advice and they will discuss with you the vaccinations that are required for your travel destination.

If you require NHS vaccinations simply return with the form below completed and make an appointment with the practice nurse. If the 1st available appointment is not soon enough for your travel plans you will need to make arrangements with the travel clinic where you will be charged.

I have attended a travel service and they have recommended the following vaccinations

Name	Date of Birth	Travel Destination
		Recommended and required for patient (pharmacist please delete as applicable)
Hepatitis A (infectious Hepatitis) 1 st and 2 nd doses and booster		Yes / No
Combined Hepatitis A & B 2 doses with a 3 rd for these aged over 16 years		Yes / No
Typhoid 1 st , 2 nd and booster doses		Yes / No
Combined Hepatitis A and Typhoid 1 st and 2 nd and booster doses		Yes / No
Tetanus, diphtheria & polio, given as combined a vaccination		Yes / No
Cholera		Yes / No
